

IN-HOME SUPPORTIVE SERVICES PROGRAM NOTICE TO APPLICANT OF HEALTH CARE CERTIFICATION REQUIREMENT

There has been a change in state law* that requires each person applying for IHSS to provide a health care certification from a licensed health care professional (LHCP) before they can get IHSS.

The certification must be completed by a LHCP, such as a physician (doctor), physician assistant, regional center clinician or clinical supervisor, occupational therapist, physical therapist, psychiatrist, psychologist, optometrist, ophthalmologist, public health nurse, etc.

The certification must state that you are not able to do some activities of daily living (ADLs) on your own and that without help to do these activities you would be at risk of placement in out-of-home care.

Basic ADLs are: eating, bathing, dressing, using the toilet, walking, and getting out of bed or a chair. Other ADLs are: housekeeping, preparing meals, shopping for food or other necessities, taking medication, etc.

Attached is blank copy of the Health Care Certification Form (SOC 873) that you can give to your LHCP to complete. If you want, the county can send it to the LHCP for you but you will have to give the county the LHCP's name and address.

Whether you give the SOC 873 to the LHCP yourself or the county sends it for you, you are responsible for making sure it is completed and returned to the county within **45 days** from the date the county worker requested it.

The county may accept an alternate document in place of the SOC 873 as long as it meets all of the following requirements:

1. Indicates that you are not able to do one or more ADLs on your own,
2. Describes the medical or other condition that makes you unable to do ADLs on your own and causes you to need IHSS, and
3. Has been signed by a LHCP.

Under certain limited circumstances, the county may grant an exception that would allow you to get IHSS on a temporary basis before the county receives the completed SOC 873 or alternate document but you will still be required to provide one of these documents for the county to determine if you can continue getting IHSS.

If you do not provide the SOC 873 or alternate document to the county within 45 days, your application for IHSS will be denied. As with any county action taken on your case, you may request a state hearing if you do not agree with the county's decision.

If you have questions about the health care certification requirement, ask the social worker who has been assigned to your case.
